# PINEAPPLE TARTS

\$18/TUB

Our pineapple tarts are extremely low in sugar as we make the jam from scratch. None of that store-bought high sugar jam.

Expect a slightly tangier jam, softer & fresher.

Our crust is also slightly different. slightly crisp and buttery.

As our jam is all freshly made with no preservatives, we would not recommend storing them for more than 2 weeks.

Anyway, they don't usually last that long.
